Event Sponsorship Opportunities

Join us and connect directly with all golfers. We welcome on-course contests, food and/or beverage sampling and showcasing your product with samples/materials. If you don't have the staff, you can sponsor the Longest Drive and Closest to the Pin, or simply sponsor signage on a hole. Partner for one tournament or all three!

We provide:

- Custom signage at the hole
- Prominent logo placement in event-day signage, during the dinner presentation and on golf web page
- Social Media recognition

On course partners must donate a silent auction item for each tournament where their brand is featured.
